Statement of Claim

Kyle Williamson : May 2004, I, Entered into a contractual agreement with me to represent me in obtaining Tort Claim damages for injuries I received in the Army, Basic Train Camp. He fraudulently received Tort Claim damage award without my consent or knowledge. Consulted with The office of Legal Counsel, Veteran Affairs, Des Moines, Iowa. Kyle Williamson was assisted in is effort to defraud me by the AMVETS VSO Officer. Theresa Williamson has knowledge of her then husbands legal activities as she was his assistant and para-legal in his law practice. Theresa Williamson contacted me on several occasions to discuss the particulars of my case, and to arrange meeting times for hearings which never occurred.

Richard Miller Region 3 AMVETS director informed me,(William Frison) that Mr. Harold Higgins was been fired from his post due to his assistance and involvement with Kyle Williamson. Denny Boller, Executive Director AMVETS made a referral to Richard Miller in response to my FOIA request when contacted.

Earl Parsons, Legal Counsel, and Nancy Johnson, staff attorney failed to comply with my FOIA request specifically pertaining to Pleadings, Petitions, Copies of Tort Claim filings, Date and amount of Settlement Award, Where and how claim was filed, When, Where, If ,and How Monies were paid-out ect. The VA allowed Kyle Williamson, now a convicted felon to declare me mentally incompetent to manage my own affairs. This Order was rescinded May 30, 08 per my request. Was settlement done with only a Letter of Intent to Sue?
